FAITH FOR *Life*

Deepening the connection
 between Faith and Life

Previous participants said...

I am so glad I had the opportunity to take part in Faith For Life. I feel very blessed. It was also a great learning experience.

Faith for Life has awakened me to God's love and presence in my life.

There is an enthusiasm around this course that is answering a hunger in the people of God at this time.

This course has been designed, and is delivered, through a partnership agreement between the Archdioceses of Dublin and Liverpool. Upon completion, participants will be awarded a Certificate of Achievement.

The course is run over four weekends:

6 & 7 October 2018

17 & 18 November 2018

12 & 13 January 2019

23 & 24 February 2019

Faith for Life is a course to help you discover more energising and empowering ways to live out your faith in the reality of today's world: through relationships in family, parish, workplace; and the events of daily life.

It aims to help you become more open, confident, trusting and willing to work for change.

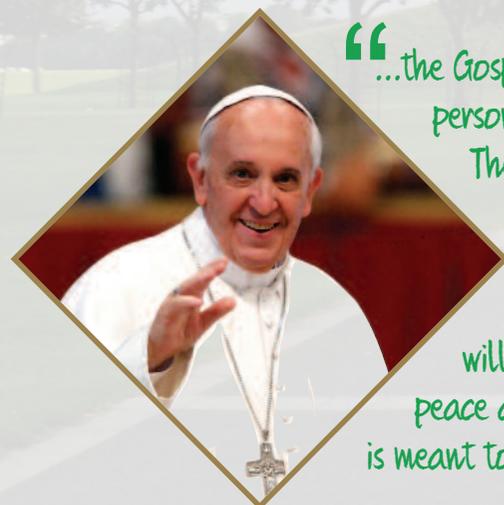

Faith for Life is experienced as a journey of four movements which will help participants to deepen the connection between their daily lives and their call of faith received in Baptism.

Participants are required to:

Attend every weekend, which includes facilitated conversations, input, personal and group reflection, journaling, prayer and liturgy.

Attend 2 meetings in local groups arranged between each Movement.

Write a short summary of the new insights and learning after each weekend.

“...the Gospel is not merely about our personal relationship with God. The Gospel is about the kingdom of God; it is about loving God who reigns in our world. To the extent that [God] reigns within us, the life of society will be a setting for universal fraternity, justice, peace and dignity. The way we live as Christians is meant to have an impact on society.”

Pope Francis
